

My wife and I want to express our appreciation for the great effort you made in finding our son on Saturday July 20. We know that all of you sacrificed your time and energy searching for many hours. It is very touching to know that there are such dedicated and caring people willing to help at all hours. Your professionalism and commitment to find the boys was evident from our first meeting that morning and throughout the day.

I will always regret not taking a moment to thank at least one of you personally before we left. My sincerest apologies. Please express our deepest appreciation to all that were involved in the successful effort.

Sincerely,

Kevin and Mary Ann
