

SUMMIT COUNTY

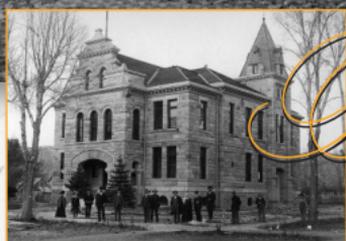

HISTORICAL

Museum

Escape from
the modern day & reminisce
with Summit County's
early ancestors

There are many legacies to hand down through the generations. More valuable than money or land is the legacy and example of hard work and honesty that we leave for our children. This is portrayed at the Summit County Historical Museum. Not only is our museum a preservation of our legacy, it is a tribute to our heritage.

Open Daily
8:00 AM to 5:00 PM
Monday thru Friday
Also available by
prior arrangement
